## 1. LIFE INDEX-AIR WEBSITE

Website: [www.lifeindexair.net](http://www.lifeindexair.net)

Launch date: 28 March 2017

Design company responsible: SLAB Studio ([www.slab.pt](http://www.slab.pt))

The website of the project was created by SLAB Studio and it was launched on March 2017. Figure 1 presents the homepage of the website of LIFE Index-Air, with main and secondary mottos highlighted.

The website has the logos of the project, of the LIFE Programme and of all the beneficiaries, and contains the main objectives, activities and results of the project; consortia description; contact information; calendar of internal and external events; links to other relevant websites and projects; news section and information about the actions progress. The website's working language is English and selected materials are available and translated into languages of the beneficiaries.

The website is regularly updated (on a 2-week basis) with news, information regarding organized or participated events, articles and all materials produced within the project (manuals, videos, presentations, communication materials) made freely available to the public.
